

THE SUMMER ACADEMY IN MÜHL DORF AM INN

The Mühl Dorf Summer Academy was founded by the District town Mühl Dorf a. Inn in 2003 as one of the lasting results of the highly acclaimed exhibition "Mühl Dorf am Inn - Salzburg in Bavaria". Since 2015 it has been run by the association "Mühl Dorfer Sommerakademie e. V." The master classes at the Mühl Dorf Summer Academy are aimed equally at advanced music students, music students, professional musicians, instrumental teachers, well-rehearsed ensembles and soloists. The artistic director of the Mühl Dorfer Sommer-Academy, Prof. Frithjof-Martin Grabner and his lecturers also offer the course participants individual one-on-one support in the area of solo literature also offers the opportunity to play chamber music.

Existing chamber music ensembles (with a trio or more) receive a discount of € 50 per participant on the course fee. The Municipal Music School Mühl Dorf a. Inn with its classrooms in the center of the historic old town offers the ideal conditions for an intensive and successful work phase.

Basic knowledge of cultural management
THOMAS BREITSAMETER

At educational institutions and music colleges, the focus is on training to become an instrumentalist. An existentially important topic is often neglected: the marketing of one's own skills in the artistic field. The course offering provides insight into successful self-management and tips for dealing with concert organizers and concert agencies and uses case studies to outline the organization of a concert in its preparation phases.

Stage presence
FRITHJOF-MARTIN GRABNER

"The reflection of personal impact on stage"
Prof. Frithjof-Martin Grabner talks about the areas of speaking voice, body language, audition situation, concert clothing, and acceptance of applause. Even the formal ones and content aspects of application documents, Curriculum vitae etc. will be examined more closely.
